PLEASE NOTE

Figures contained herein, though statistically sound within reasonable parameters, do vary from actual counts and have been modified by application of calculated variables to provide the Annual Average Daily Traffic (AADT). The range of variation from the AADT during some seasons of the year could be considerable. Care should be taken in the use of this information.

Should clarification of this information be required, please contact the Planning Support Branch at (204) 945-3779 or write to:
